DETAILED ACTION

Allowable Subject Matter

1: Claims 9, 10 and 15-24 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art does not teach or suggest the use of a camera that has a viewfinder, a quick return mirror, a photographic image capture device and a color analytic image capture device; wherein arithmetic operations are performed on the image data output from the color analytic image capture device and coefficients and gains calculated from the image data from the analytic image capture device are used in image processing on the color image data that is output from the photographic image capturing device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
